Atlantis 16 - ODYSSEY SERIES

Glare / Light Trespass

Shroud: Angled Option / Reduces incidental fixture glare

Lenses

Tempered Glass / High strength and vandal resistant

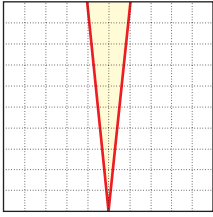

Frosted, Blue, Linear, Spread / Ability to fine tune desired light output and change beam spread

LENS COMPARISON

(factory supplied designer lens kit)

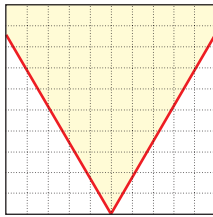

Graphic Representation Only. Not to scale. Our factory supplied designer lenses are used for the adjustment of the beam spread and light intensity.
Graphic shown using 35W MR-16FMW 36°.

No Lens

Normal light/beam output per lamp manufacturer's specs

Frosted Lens

For reduced light output and greater beam spread

NOTES
